### WHAT S.T.G.M.A. IS ALL ABOUT

As a brief introduction, S.T.G.M.A. is a family of believers, with a wide variety of Christian denominations represented by our present membership. It is our desire for the name of Jesus to be exalted in all we do in word or song. We strive to serve our member churches faithfully and with integrity. We do try when possible to provide, assist and promote you with concert dates. Our concerts are set up on a Love Offering basis. We have opted to not sell tickets for any of our functions. Our members are free to accept or decline any dates offered. We are not "just another music association." YOU are important to us.

Thank you for your expressed interest in joining S.T.G.M.A. You may download or request by mail an application. If accepted you will receive a more detailed letter of our ministry, our expectations of you and a few ground rules.

Thank you again for your interest. We look forward to receiving your application soon.
